

MasterMover®

Danmark Electric Tug Solutions

PS3000+

Multi- link

Multi-link | PS3000+

Multi-Link Systems by MasterMover allows a single remote operator to simultaneously control up to 12 tugs through a synchronised movement.

This modular, scalable and future-proof application enables a Multi-Link System of PS3000+ units to manoeuvre loads ranging from 30-360T.

Multi-link systems ensure safe, precise and effective product manipulation leading to improved production efficiency and reduced risk of product damage.

Industries

Suitable for use in a wide range of applications and sectors

Manufacturing and Assembly

Key Benefits

1 year full guarantee

- Complete wireless control
- Hydraulic weight transfer
- Interchangeable batteries
- Up to 360,000kg load capacity
- Self adjusting hydraulics
- FEA tested steel chassis
- Link up to 12 machines

Self adjusting castor guard

Emergency stop

Warning horn

MaxLoadWeight

See our website for full technical details

Castors

Up to 360,000 kg*

*"Maximum load weight" is only a recommendation that we arrive at by estimating rolling resistance. Your environment and wheel type may affect this figure which is why we carry out a detailed technical evaluation on every project. All of our calculations include a "safe work load" factor to ensure safe operation in all circumstances.

Identification

Product code	PS3000+ Multi-link
Recommended load weight - Castors	30,000 kg up to 360,000 kg
Machine weight including battery	1271 kg
Drive type	Electric AC
Parking brake	Electromagnetic
Drive wheel type	Polyurethane
Drive motor power	5 kW
Drive motor controller type	AC
Variable machine speed	0-6kph
Steering controller type	AC
Ingress Protection	IP44

Battery options

Battery pack - sealed - 120Ah 48V - interchangeable

Charging options

Charger - external - 20A 48V - 85V-265V

Charger - internal - 20A 48V - 85V-265V

Charger - battery station - 20A 48V - 85V-265V

Additional equipment

Option - single battery transportation trolley

Option - status light

Option - lifting and anchoring points

Option - on board camera

Option - battery protection system

Option - remote wireless E-stop - 1 machine

Male coupling options

Coupling - male - combi - extra large

Female coupling options

Coupling - female - extra large
